Letters of Recommendation:

To Whom it May Concern:

We thoroughly enjoyed Nathan Clark George's musical contribution at our family camp last year. His presentation is professional, honest, clear, edifying, and entertaining.

Our camp attracts over 600 people, and represents a wide variety of musical tastes in the Christian market, and we were pleased with the enthusiastic reception he received.

We had many evaluation forms expressing appreciation for the inclusion of Nathan Clark George in our camp venue.

Sincerely,

To My Fellow Servants in Christ...

It is a delight for me to recommend the ministry of Nathan Clark George. He was with us for a Saturday evening concert and assisted us with our music the following morning.

Everyone who heard Nathan was ministered to by his endearing personality and warm musical style. The original songs were practical and biblically sound (and from my perspective, that's another way of saying, "Reformed"). His musical ability is virtuosic. There is something in Nathan's presentation for the entire family.

I encourage you to consider having Nathan come to your church. If you would like any further information about our experience with Nathan, please feel free to call me at 941-743-7971.

Yours, Because of Him,

Sammie M. Brooks. Pastor
